EDUCATION

Manipal University Jaipur

Oct 2024 – Jun 2028

- B.Tech in Computer Science and Engineering with Specialization in data science

EXPERIENCE

Team Head | Glitch! The Esports Society |

July 2025 – May 2026

- Led a team of 15 members to drive event visibility, increasing registrations and campus-wide engagement. Spearheaded digital outreach initiatives across social media platforms, boosting audience reach and participant interaction.
- Selected among core committee members to lead marketing and outreach initiatives for a college-level technical innovation event.

TECHNICAL SKILLS

Programming Languages: Python, C++, Java, SQL, JavaScript

Frameworks & Back-End: FastAPI, Flask, API Integratgion

AI/ML & NLP: PyTorch, Hugging Face Transformers, Scikit-learn, Pandas, NumPy

Computer Vision: OpenCV

Deployment: Git, GitHub

Frontend & UI: Tailwind CSS

Visualization: Matplotlib, Seaborn

FEATURED PROJECTS

LEETCODE ORCHESTRATION | GitHub | Whizan

MARCH 2026

- Developed a full-stack AI-driven interview preparation platform enabling users to practice DSA, system design, and mock interviews in a real-time interactive environment. Integrated AI-based code review, voice-based interview simulation, and performance analytics to simulate real-world technical interviews and improve problem-solving skills.

AI CONCEPT STUDIO | GitHub

February 2026

- Built an AI-powered learning assistant that simplifies complex technical concepts using step-by-step explanations, real world examples, and practice questions. Integrated Google Gemini API to dynamically generate explanations in multiple learning styles. Designed an intuitive Streamlit interface to enhance user engagement and accessibility.

AI REEL GENERATOR | GitHub

December 2025

- Built a Python-based voice assistant from scratch using SpeechRecognition, Google Gemini API, and macOS TTS, enabling real-time voice commands for web browsing, Spotify playback, and conversational AI with contextual memory and secure API handling via dotenv.

ACHIEVEMENTS AND CERTIFICATIONS

- Programming with python - Coursera
- PowerBi - Ducat
- Programming In Java - Elite Certification - NPTEL
